## NOTICE

### DGMC College Magazine

Subsequent to Notice No. 376 dated 26<sup>th</sup> March 2021 we have extended the deadline to 11<sup>th</sup> April 2021 to receive entries for the Title of the DGMC Magazine. We have received some valuable suggestions but would like to give all students another opportunity to send in their entries if they have missed the earlier deadline.

We know how prestigious it is to be part of a college magazine and hence would like keen and responsible students to enroll for the following positions:

1. Magazine Sub-editors
2. Assistant Editors
3. Design team

To get the ball rolling and to make the debut magazine as outstanding as possible we request students to contribute to the following items:

1. Front / Inside Front Cover Design (Theme: Lost & Found)
2. Back / Inside Back Cover Design
3. Articles for Student's Corner (can include your college experience, interview with Guest Lecturer, Film / Music Reviews, Photo-story, etc.)
4. Student Achievements (outside college events)
5. Alumni Stories

Students may send in their entries to [dgmc.magazine@dgmcms.org.in](mailto:dgmc.magazine@dgmcms.org.in).

Kindly mention the post / topic in the subject and ensure to give your Full Name, Roll No, Program and appropriate picture of yourself when sending your entries. The last day for submission is **April 15<sup>th</sup> 2021**. Selection / Decision of The Magazine Committee will stand final.

We look forward to your enthusiastic response.
