Examination Guideline

The structure of evaluation may vary from course to course. The course instructor will decide and communicate, at the beginning of the course, an appropriate scheme of evaluation as per the requirement of the course and the methods of instruction. Normally, evaluation of academic performance in each course is based on varying combinations of the following components: Assignments, Quizzes, Class Tests, Class Participation, Project Work, Mid-Term Examination, Term-End Examination, and any other as suitably decided by the instructor and priorly announced to the class.

BAMMC – Evaluation Criteria

The performance of the learner will be evaluated in two components. The first component will be an Internal Assessment with a weightage of 25% of total marks per course. The second component will be a Semester End Examination with a weightage of 75% of the total marks per course. The allocation of marks for the Internal Assessment and Semester End Examinations is as shown below:

- I. Internal Assessment – 25% of the total marks per course
(Class Test/Assignment/Project/Practical - Computer System & Application, etc. / Quiz etc.) Any two components - to be conducted at different intervals.
- II. Semester End Examinations – 75% of the total marks per course (Written Examination)
 - a. Duration – Examinations shall be of a duration of two and a half hours.
 - b. Theory question paper pattern shall be decided by the respective Board of Studies.

Passing Standards

To pass a course the learner should obtain a minimum of 40% marks in aggregate out of the total marks allotted for each course where the course consists of Internal Assessment and Semester End Examination. The learner should also obtain minimum of 40% marks (i.e. 10 out of 25, if the maximum marks allocated to Internal Assessment is 25) out of the total marks allotted to the Internal Assessment and minimum 40% marks out of the total marks allotted to the Semester End Examination (i.e. 30 out of 75, if the maximum marks allocated to the Semester End Examination is 75) separately, to pass the course and a minimum of Grade D, wherever applicable, to pass a particular semester.

A learner should obtain a minimum of 40% marks out of the total marks allotted to a course, in case that course consists of only the Internal Assessment Component or Semester End Exam component.

The allocation of marks for the Internal Assessment and Semester End Examinations is as shown below:

Internal Assessment – 40% of the total marks per course

- a. Class test/Assignment/Project/Practical Computer System & Application, etc. /Quiz/Field work/etc.

Passing Standards
