Introduction:

The Women Development Cell (WDC) at Deviprasad Goenka Management College (DGMC) hosted a compelling debate on the pressing topic of the "US Abortion Bill Row." The event took place on July 15, 2022, at the Madhoprasad Saraf Seminar Hall. The debate aimed to explore both sides of the argument concerning the recent Supreme Court decision to overturn Roe v. Wade, a landmark ruling that established the constitutional right to abortion.

The event was chaired by Jyoti Bamane, a legal professional, bringing her expertise and guidance to the discussion.

The debate featured two teams, each comprising four participants. One team advocated "FOR the Bill," while the other argued "AGAINST the Bill." This format allowed for a comprehensive exploration of the topic and provided a platform for a thought-provoking exchange of ideas and arguments.

The debate delved into the implications of the Supreme Court's 5-4 decision to overturn Roe v. Wade. Both teams presented their perspectives and engaged in a rigorous discourse, addressing the various aspects of the issue.

The debaters fielded questions from the audience, demonstrating patience and clarity in their responses. The open dialogue allowed for a deeper understanding of the nuances surrounding the topic.

The title of "Best Speaker" was awarded to Mr. Rudraksha Joshi from the team advocating "FOR the Bill." His eloquence and persuasive arguments earned him this distinction. However, the ultimate winner of the debate was determined by the audience vote, and the team "AGAINST the Bill" emerged as the overall winner.

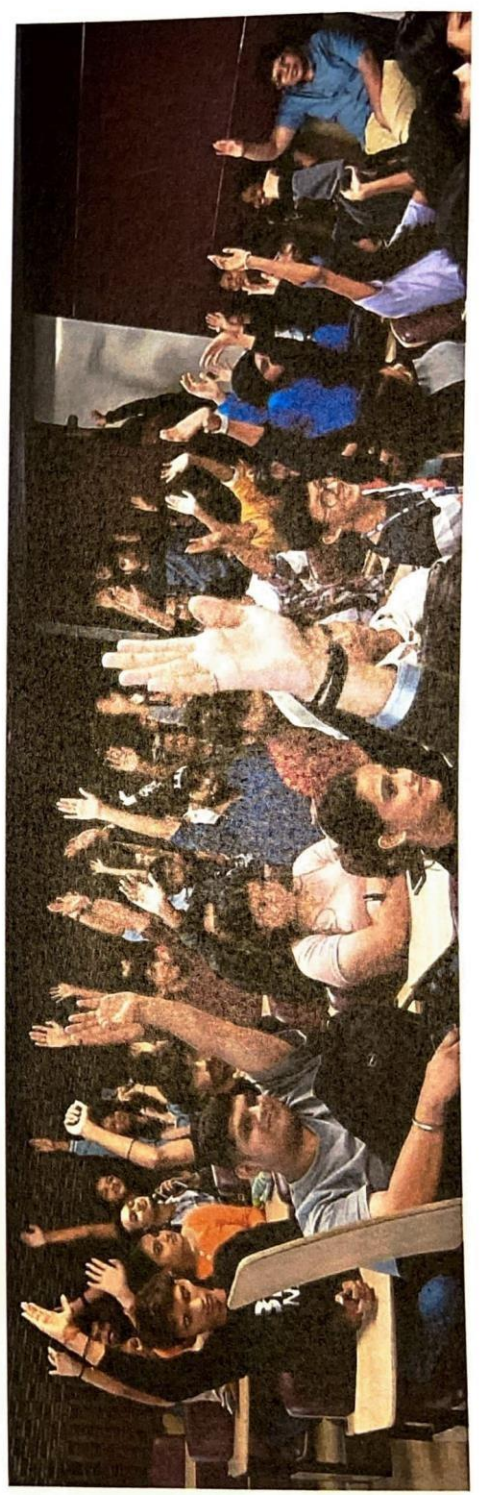

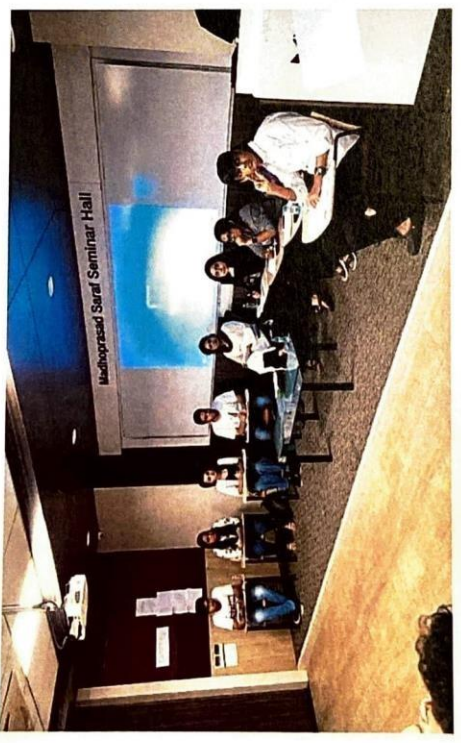

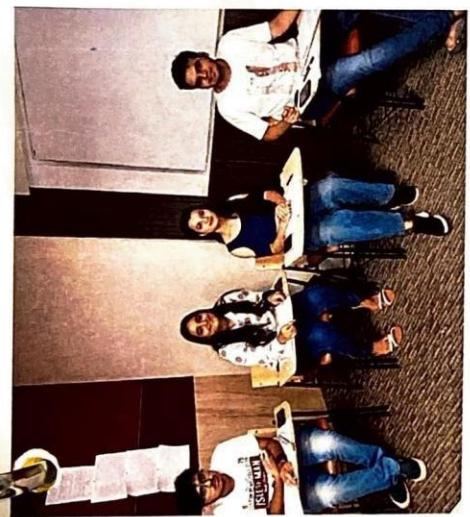

The debate on the "US Abortion Bill Row" organized by the Women Development Cell at DGMC served as a platform for informed and balanced discussion of a critical issue. It provided a space for participants to articulate their positions and engage in respectful dialogue.

The event highlighted the importance of open discourse on complex societal matters and showcased the capacity of young debaters to engage in meaningful discussions. It allowed participants to gain insights into both sides of the argument, fostering a deeper understanding of the challenges and implications of the Supreme Court's decision.

Event Report: Project "Proud Girl" Was Taken Up TheRotaractors

The Rotaract Club organized one of its major projects 'Proud Girl' from 10th to 12th of November 2022, the main purpose of this project was to create awareness about Menstrual Health in rural areas and also teach the people there how to make sustainable sanitary pads at home in a cost effective manner.

The Event was held in two parts, the part one was a Workshop held on 10th of November on Menstrual Health in the college for the club members, by Dr. Chaitali Trivedi, who is a Guinness world record holder gynecologist and cosmetic surgeon, later a small skit was presented by our members where they portrayed cultural problems a girl faces in India when she gets her menstruation for the first time. This was followed by the session, where the guest educated everyone about the reasons and the process of menstruation. She highlighted the point that dumping pads simply in the dustbin affects our environment and guided us on the correct way to dispose them.

The Second part of the project consisted of a full day event where students visited a village Umela Fatak, near Naigaon, for spreading awareness about menstruation, hygiene and the importance of sanitary pads. The event started with a rally where students holding RCDGMC's banner shouted slogans inviting the villagers for a skit on menstrual health (mahawari). Many villagers gathered at the designated spot to watch the skit and also to learn how to make sanitary pads. The villagers were given a demo to make sanitary pads. The club members also distributed Sarees and gifts to the women and children in the village. The head of the village Mr. Gangadhar and Mr. Nilke and the villagers who attended the event were happy to learn something new.
