### Financial Aspects of Extension Work Projects

**Participation Charge for Students: A participation Charge of Rs. 200/- (Rupees two hundred only)** as approved by the Management Council is to be collected from each student at the time of Registration. Out of this an amount of Rs. 100/- is to be retained by the college for the college level expenditure including traveling and incidental expenses of *Extension Work Teacher / Student Manager* required to attend meeting, programmes etc. at the University for Programs of the Department. The balance of Rs. 100/- of each student is to be sent to the Department along with the list of students registered (Annexure 3) for the Extension Work by a single Demand Draft of the total amount drawn in favor of *The Finance and Accounts Officer, University of Mumbai*.

*It this participation Charge alone that ensures funding for the Extension Programme at the college level and the University level. It is therefore advisable that a college registers as many students as possible for the program, subject to a maximum of 50 students per teacher in these projects. For every additional 50 students, a college may assign additional teacher.*
