## Relationship Management

The Rotaract Club of Deviprasad Goenka Management College of Media Studies held up what can be called a symposium on the spectrum of Relationship Management on December 8th, 2023, wherein Mrs. Kamakshi Gupte was our distinguished guest speaker. The paramount significance of the topic chosen for the talk was accentuated with genial initial words of greetings, resulting in her setting up the folks to comprehend what they can expect from the symposium - a refined exploration of interpersonal and professional relationships.

Mrs. Kamakshi Gupte's all-encompassing epistemic dissemination and numerous pragmatic strategies in context with the ever-flourishing sphere of what it means to have "relationships" proved fruitful for each and every folk involved. Her wisdomous nature was pretty much complimented by everyone dissolving themselves in inquires, and question-answers, resulting in an "overall" augmentation of everyone's cognitive and psychological acquisition of pieces of information.

Communication was an undercurrent. Mrs. Kamakshi Gupte made it her responsibility to scatter light on the indispensable "personality" of effective communication, by conveniently and resulting in a "communal cohesion", within the attendees present. There was a profound appreciation prominent, directed towards everything Mrs Kamakshi Gupte had to talk about relationships - how to deal with one-sided love, overcoming situationships, how to tell if one is in love, etc and there was also a tingling sensation of relatability, for the folks, resulting in all the more flourishing of erudite conversations, between the attendees and Mrs. Kamakshi Gupte.
