## TEAM RCDGMC

**Rtr. Angel Bhatt  
President, RCDGMC**

Being in a position to lead an entire club takes not only dedication but a lot of commitment, and that has been my driving force in this club since the very beginning. From an HRD to the Secretary to now a President, my commitment to service has only been growing. As I now step into this role, I not only promise to lead with commitment but also purpose. In my academics, I am studying to be a filmmaker, someone with a 'Vision' and the club requires just that from this position. As I take ahead the legacy with memories in my heart and experience in my mind, I wish my entire team a meaningful year ahead.

**Rtr. Sayee Vidwans  
Club Secretary, RCDGMC**

Last year, I had the privilege of serving as Deputy Director, where I learned the value of teamwork, time management, and dedication. Now, as Secretary, I carry those lessons forward with a commitment to ensuring our club runs with efficiency and purpose. My role is about being the backbone of coordination, communication, and collaboration. I want every effort streamlined, every project executed seamlessly, and every member supported and valued. I am confident we will achieve milestones that create lasting impact on our community and ourselves.

Mr. Ashish Shetty, Head of Operations at Testriq QA Lab and CDPL, led the workshop, transforming complex technological concepts into an engaging and easy-to-understand experience. He covered a wide range of topics, including how to create effective prompts, discover free AI tools, and understand data privacy, all while providing practical tips and relatable examples.

Students had the opportunity to engage with Mr. Shetty during an enthusiastic Q&A session, leaving with valuable insights and a clearer understanding of how AI can enhance productivity and save time.

'Prompt Craft 101' was not just a workshop; it served as a launchpad for students entering the exciting realm of AI. With vibrant energy, inquisitive minds, and an enjoyable approach to tech discussions, this session was a resounding success!

# Rakhi Sales

This Raksha Bandhan, the Rotaract Club of DGMC celebrated the spirit of love and inclusivity through a heartwarming initiative, the Special Rakhi Stall. The college community warmly embraced the initiative, with students and faculty members stopping by to admire and purchase the rakhis. Each thread carried the creativity, effort, and dedication of the children, making it more than just an accessory; it was a symbol of their talent being recognised and celebrated.

The stall highlighted the importance of inclusivity and supporting differently-abled children by providing them visibility and appreciation. The overwhelming response not only brightened the festival but also reinforced the club's mission of weaving social responsibility into everyday celebrations.

# DTS

Stepping into leadership comes with both excitement and responsibility, and the District Training Session (DTS) of Rotaract District 3141 set the perfect stage for this journey.

Designed to empower the upcoming leaders of Rotaract, the session provided designated members with a deeper understanding of their positions, role profiles, and responsibilities guided directly by their respective District heads who hold the same designations. The event brought together Rotaractors from across colleges, creating an energetic and interactive platform for learning and the exchange of ideas.

The session proved to be both insightful and engaging, combining interactive activities with meaningful guidance. Beyond role-specific knowledge, it also fostered stronger connections between club leaders and their District mentors, laying the foundation for a year of impactful and collaborative Rotaract service.

# RAKHI WITH HEROES

The celebration featured cultural performances that added vibrancy to the occasion, followed by the symbolic tying of rakhis by club members on the officers' wrists. This gesture reflected respect, appreciation, and the spirit of brotherhood, while also bringing a festive touch to those serving away from their families.

By honouring the SRPF personnel, the event fostered stronger community bonds and highlighted the importance of acknowledging the sacrifices made by our protectors. The program concluded with smiles, heartfelt exchanges, and a strengthened sense of unity, making "Rakhi with Heroes 4.0" a meaningful success and a memorable tribute to the city's real-life heroes.

# PROUD GIRL 4.0

Adding a practical twist to the lineup, Bombay Bonanza on March 15, 2025, ensured members had access to academic resources with an exclusive 5% discount on stationery. This initiative reinforced the importance of supporting student needs, proving that even small efforts can make a difference in everyday learning.

The journey wrapped up with Beyond the Classroom on March 11, 2025, at Kudilal Govindram Seksaria Sarvodaya School, where Prof. Pratik Panchamia introduced students to unconventional career paths. Through engaging discussions, he encouraged them to look beyond traditional choices, exploring careers driven by passion and innovation, mainly in the field of photography. This session became more than just career guidance; it became an inspiring push toward self-discovery and ambition.

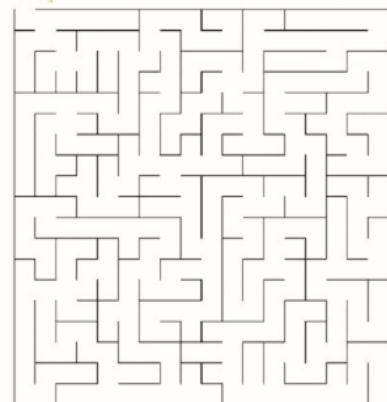

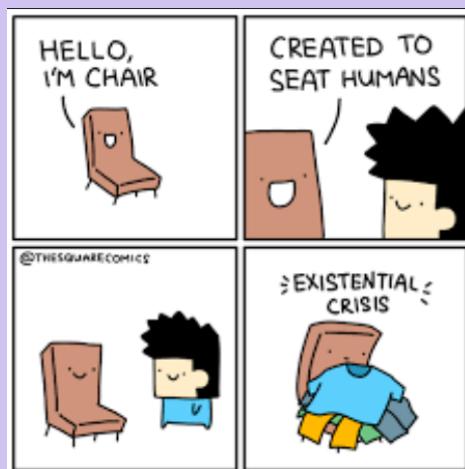

Through these diverse and impactful initiatives, the Rotaract Club of DGMC wove together a powerful narrative of service, learning, and engagement. The World Responsible Youth (WRY) initiative wasn't just an event; it was an experience of growth, connection, and purpose, proving that when young minds come together, the impact is limitless.
